

CHATTER

WELCOME TO MY 2010 LISTING

Greetings to old friends, valued customers and those new to the world of daylilies.

Last year quickly became the wettest year on record by several inches and the daylilies loved it!! We also had cooler weather than normal which made the season a very good one . It's great to be able to work outside in late June and July without smothering from the humidity. Winter was also colder this year the coldest in 25 years and this year we had a 12 inch snow. It as wonderful to sit and watch it fall in huge flakes to the trees and ground.

Spring bulbs are now blooming and the grass already needs mowing even though we are still having cool nights. Hopefully the warm days will continue in April with no surprise freezes this year.

Melvin made the winter as he has already been seen darting between the paths of the daylily beds. So far no signs of the armadillo. Last year was so wet he wasn't even sited which was fine by me.

Last year I began to add old garden roses to the flower beds. I had six that did fine with no chemicals. I am choosing only roses that require little or no spraying. This year I have added eighteen more. The climbers add a nice touch and fragrance to the garden. Will let you know how the daylilies and roses mix next year.

.May your garden season be delightful and full of promise .
Happy Gardening

Vikki, Truffles and the Gang

LOCATION

SPIDER'S WEB is a small mail order family owned nursery located in the North East corner of Arkansas. We are an Hours drive from Memphis Tn. I am generally open during the peak season but please call or email a day or two in advance to make sure someone will be here so you are not disappointed.

RUST

I had three new plants arrive in 08 that developed rust late in the fall. The winter was cold enough any rust spores Should have been killed but one can never be certain.

I still cannot guarantee a rust free plant so please remember this when ordering.

Guarantee : all plants will be freshly dug, shipped bare root and state inspected. Unless stated cultivars will be 2 fans or more. No substitutions will be made without permission
begin shipping around 15th of April thru May 25. I

Fall shipping begins September 9 thru October 5

BONUS: plants will be given with each order 20% PLUS (excluding shipping)

For orders that are mainly specials it will be 10% Plus (excluding shipping)

Plants will be smaller than the ones coming from states with warmer zones but will have good root systems and catch up as your season progresses.

Garden visits

It is always a pleasure to have visitors during bloom season which is between June 10- June 25. Please call or email in advance of your visit so I will be expecting you.

SHIPPING

US postal service PRIORITY MAIL

\$10.00 (1-3 plants) each additional plant .75 cents

No overseas shipping

Payment may be made by check, money order or paypal.

You may use your credit card through paypal.

Orders can be sent email, snail mail, or you may call to place an order
